Your data

Data collection

This is a list of data that Exaltio collects from their members

- Identification (name, pronouns and initials)
- Address
- Contact (Email and phone number)
- Financial (IBAN and BIC)

How do we collect this data?

- The first three bullets mentioned above will be collected once a member signs in to the association
- Financial data will be collected once a member registered via the signup form, and goes online to sign a mandate for the membership fee.

Data usage

Exaltio uses the above mentioned data for the following purposes:

- Identification of our members
- Sending updates to our members about the association
- Collecting membership fee from our members
- Contacting our members if deemed necessary

The following data will be shared:

- Your identification and financial data will be used to contact our bank for the collection of the membership fees.

Apart from that, the data of our members will not be used in any other way without the explicit permission of members. As soon as a member signs out, we are obliged to keep your data stored for 7 years for financial administration. After those 7 years, all your data will be deleted.
